

NATURE COAST JOURNAL

JUNE 2023

www.ncintergroup.com

JOURNAL FORMAT MAY BE CHANGING (Your thoughts, please!)

The cost of producing the Journal has increased by more than 50% over the last few months. We will be trying out a variety of different sized Journals in the next couple of months, and feedback from the readership will be crucial to our decision about the future format. Your thoughts on content and length, or whatever comes to your mind will be considered and valued. Please email me at news@ncintergroup.com. I always look forward to hearing from you.

Yours in service, Bill K., Journal Editor

Personal Adventures BEFORE

No wife, no kids, no house, no money
- I was left with myself.

I would go to bed at night and pray that I would not wake up.

My only friend was the liquor store clerk.

The more I drank, the darker it got.

I came to find that if I drank in the morning, I wouldn't get sick later in the day.

I didn't quit drinking because of my problems. I quit when I found the solution.

Personal Adventures AFTER

This is much better than **that!** God doesn't draft anyone - he only accepts volunteers.

I love waking up in the morning to a beautiful day - no hangover and no bar bill.

Life is better when I go to meetings. I am on guard against the unguarded moment.

I call my sponsor when things are going good.

I don't have to worry about garbage day anymore. There are no empties to hide from anyone.

STEP 6

“Were entirely ready to have God remove all these defects of character.”

TRADITION 6

“An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.”

CONCEPT 6

“The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.”
